### Announcements – Community News

The next board will be Monday January 19, 2022 at 7PM EST. Due to Covid, the meeting will be a Webex. If you would like to attend, please reach out to a Board member.

Residents, please clean-up after your pets. There have been a few incidents where dog bags were being thrown over the hill and/or stuck in trees. The board has received complaints from residents where pets are doing their business in residents privately owned yards. Please do not walk your pet in your neighbors' yard - we ask that you have them go in the common areas and clean-up after them. Thank You!!

Parking. Please use the common parking lots if room. Still seeing cars parked where they should not be. Blocking the mailboxes, in front of the fire hydrant and half way on the street, which is hindering the view of drivers pulling in and out onto Aspen Trail. Multiple cars have had warnings placed on their windshield. Please be respectful to your neighbors. Thank You!

Garbage Day is Friday. Please only move your trash / garbage to the front yards Thursday evening at the earliest. It is an eye sore sitting in the front yard during the week. In addition, if you are using garbage cans, please put a lid on them. The animals have been getting into the garbage and spreading it through the neighborhood. Finally, if you are using a garbage can, please place it at least 3 feet from your recycle bin. If they are too close and recycling comes before garbage, the recycle truck arms are knocking over the garbage cans. **Note: Garbage cans can't be stored in the front of the house. They can't be seen from the street. Please move inside or to the back of the house out of view.**
